Provence GUEST TESTIMONIALS:

“We always love the cooking classes on your tours, because they’re both informative and lots of fun. The meals were excellent, as always! And, another of the many reasons why we come on your tours, the “Guide” ...who made our Provence trip very special, was warm and delightful as the sunshine of Provence. We love how everyone everywhere we go is always so happy to see you and welcome us, complete strangers, to their homes, and open up their homes to share a part of their French life with us. We’ve taken other small group, walking tours with other companies, BUT then we found your Off the Beaten Path trips, and once we found you, that was it for us. YOU OFFER THE VERY BEST TRIPS IN THE TRAVEL MARKET!! You truly do, no other company even comes close in comparison! We have NEVER been disappointed...And although we had already done a Provence walking trip with another company about six years ago, we wanted to come back to Provence just to be able to come back with you! Thanks for everything!” Charles and Susan Kollar, Princeton, New Jersey - (Have been on 3 OTBP Tours - Best Adventures in Provence Tour, Loire Valley Tour, Bordeaux Harvest Tour)

“We loved your consideration to stop for so many photo ops throughout the beautiful countryside. The St. Remy market, the cooking classes, hotel and all of the restaurants were fabulous. It was wonderful meeting you! Thank you for a wonderful time in Provence! See you on your Bordeaux tour next time.” Larry and Lyn Christenson, Palo Alto, CA (Provence Tour)

Gordes village, one of the most stunning of the perched villages of Provence, appears like an Atlantis surrounded by glorious vineyards, fruit orchards, and fields of flowers and grains instead of ocean. To one side looms the massif of Mount Ventoux, the Olympus of Provence, to the other, the pastoral whale-back of Mount Luberon. The breadth and height of this region balance in utter serenity in Gordes.

Roussillon village, a canto of color, with a mythical story of a lover, a murder, and the suicide of the faithful bereft that describes how the name of the village honors a redhead. The romance colors the very ground and reddish walls of the buildings that lines its winding cobblestone streets. Known as the village of ochre, this unique mineral creates a substance formerly used as a dying agent. Today, Roussillon is known as the most dramatically colorful village of the Luberon, and renowned for its panoramic vistas of the ochre valleys surrounding the village.

PROVENCE GUEST *Testimonial:*

BOB & SUSAN HORN GAVE OFF THE BEATEN PATH, LLC 5 STARS!

A WEEK IN PROVENCE: OUR DELIGHTFUL ADVENTURE

When my wife and I decided that it was time for us to visit the south of France, we knew that, if we tried to do it on our own, we would miss out on too many experiences that we might enjoy if we only had some guidance. But we didn't like the idea of the standard sort of tours that we'd read about, with large groups and rigid itineraries and name tags – feeling like we're being herded around with a bunch of strangers. We wanted something different, but we didn't know if it existed. It does! After spending a great deal of time researching tours and looking at travel options for the south of France, we began seeing comments, here and there, about someone named Christy Destremau and the tour company that she built and owns, Off the Beaten Path Tours. We were immediately drawn to the OTBP offering, both for the interesting tour locations visited and the daily outings that combine walking, great food and education about the local customs.

Once we initially discovered Christy and her company, we did more digging and found that Christy doesn't just have fans, she has devotees! That doesn't come by accident – it only comes when it has been earned, and if you choose an Off the Beaten Path tour, I'm confident that you'll agree that she has earned this sort of following. We had flexible vacation schedules, and since one of our hopes was to see the famous lavender fields in bloom, I emailed Christy to ask about the best time of year to see the lavender. She responded quickly with a range of tour dates, and we booked the tour right in the middle of the range. Right from the first meeting of our tour guide Phillipe we knew we made the right choice. Phillipe picked us up at the train station and immediately made us feel at home, even carrying my wife's suitcase up to our room. Over the 5 days of our tour, we learned so much from guides David and Phillipe about the local foods, the history of the area and the French/Occitane customs. Every meal was a new experience: We had a picnic in a park one day, where we dined on Charcuterie and fruits purchased at a local market, fresh cherries that we picked from a tree that morning, and wonderful wine! We had an incredible dinner at a Michelin star restaurant. There was lunch at a terrace restaurant, overlooking the Mediterranean. There was another lunch one day at a restaurant, sort of in the middle of nowhere, where the roast chicken that was our main course redefined my understanding of what chicken should taste like (and I promise I am not exaggerating)! The 13th century restored wine cellar in the Chateauneuf-du-Pape region was incredible (especially since my wife and I both love to drink Chateauneuf-du-Pape)! And the private lunch at the wine cellar, prepared for us by our dedicated chef. We chose to do the walks each day and saw some incredibly gorgeous countryside, and of course the blooming lavender fields which was a highlight of the trip. But for those who wanted less walking, there was a private bus available to provide alternate destinations and activities on any given day. Our hotel in Saint Remy was perfectly located in town, a fun, eclectic, historic building. It was easy to get to restaurants and shops during our free time. We also really enjoyed market day in St Remy, the fresh produce was so beautiful. Sophie at the hotel was truly a gem - her breakfast service was so cheerful and the multiple varieties of croissants and other bread – along with the fresh fruit and little glass half pints of yogurt that were served at the hotel each morning - was unbelievably delicious.

The group size for OTBP tours is limited to 16. I've read of one of the major tour companies that brags that they keep their tours small and personal by "limiting the group size to 30". I have to say that we loved the trip, we loved our guides, and we loved the South of France. We hope to return often and soon. Thank you to Christy and the entire Off the Beaten Path crew for giving us such wonderful memories.

WE ASKED SOME OF OUR GUESTS FROM OUR PROVENCE TOURS - “WOULD YOU RECOMMEND OUR PROVENCE TOUR TO A FRIEND OR FAMILY AND WHY?”

“Yes – We had a great time and enjoyed all aspects of the trip. We would recommend for the following reasons – The fact that Christy was leading it made it very special. Every venue was 1st class. The walks were fun, the hotel room was just beautiful. The itinerary gave us a taste of southern France – we were hoping for that. The group was very compatible and that made it a constantly smiling experience. You are free to use us as a reference if you desire. Thanks for everything this WEEK!” –FRED AND SHARON HIRSH, MD, AURORA, OH

“Yes Absolutely – I’ve planned several European trips with the help of travel books and travel companies. And none of those can compare with this trip! We would have never found the top notch restaurants that we went to nor would we have been able to fit so much into our time. Even our transportation was wonderful! Our guides David and Philippe were definitely one of the best highlight of our trip! David’s incredible knowledge along with his sense of humor made every day interesting and very enjoyable. We loved Philippe’s gracious welcoming, knowledge of the French culture which he joyfully shared and that he assisted us all in every way possible. Restaurant choices were top notch! Thank you – we loved this trip!!” –ROB AND CAROLE LIVINGSTON, LONGMONT, COLORADO

“YES – the trip is well priced, well planned, consistently executed, the ideal size, with exceptional tour guides and none of the excursions were too far away. Cooking class was exceptional and I loved the location and learned a lot. Loved the walks to balance out the food. It is a stunning, romantic and beautiful place to visit. Finally, the tour really provides an opportunity to “taste Provence”.” --ANN YUREK, TORONTO, CANADA - HAS BEEN ON 2 OTBP TOURS - BEST ADVENTURES IN PROVENCE AND BORDEAUX HARVEST TOUR

“YES! Almost everything was beyond my wildest expectations! The tour guides were wonderful. This was the BEST experience of my life. Everything about this itinerary should stay! Pierre and his staff at Mas des Carassins went above and beyond to welcome us and to make us feel like we were at home! This trip went way beyond our expectations! I plan on talking to everyone in my circle of friends and talking to them about doing this trip for our next major birthday bash! I hope our same guides will still be leading the tour then! THANK YOU!!” --MARY MCCARTHY, YORKTOWN, VIRGINIA

Oui... WHAT WE DO-WHAT WE GUARANTEE OUR GUESTS...

WE GUARANTEE SOME VERY SPECIFIC SERVICES THAT WE BELIEVE YOU, AS OUR GUEST, DESERVE.

🍷 WE ENSURE A "SMALL GROUP" REMAINS JUST THAT - A "SMALL GROUP" !

The group size on our tours is a maximum 16 guests per tour date. Many of our trips sell out completely meaning group size is 16 guests (and 10-12 guests for tours limited to 10-12 guests maximum per departure). Our experience has been that limiting our group size to 10-16 guests per tour creates the ideal ambiance for guests to easily mingle and get to know each other, yet still maintain their independence. We also limit our group size in order to preserve each guest's personalized experience, and ensure our famous quality customer service.

🍷 WE INCLUDE ALL BEVERAGES (BOTH ALCOHOLIC & NON-ALCOHOLIC) IN OUR TOUR PRICES!

We always include a welcome cocktail on day 1 of each tour, plus some additional group meals may include a pre-dinner cocktail in addition to the premium, classified and "Grand Cru" wines included at all groups meals during each of our tours. Of course, guests are always free to opt out of any included group meal to try a restaurant, cafe or other dining option on their own or simply to enjoy a private dining experience.

🍷 WE ALWAYS PROVIDE GUESTS THE BEST ROOMS AT EVERY HOTEL !

We always reserve the VERY BEST for our guests ! Plus there is NEVER any hotel hopping on our tours. We select one exclusive, luxurious, historical establishment for the entire 5 nights of each tour (3 nights on Champagne Tours, 4 nights on Normandy Tours).

🍷 OUR SCHEDULED WALKS ARE ALWAYS GUIDED !

We always guide our walks !! Our guides are experienced, and have walked our trails repeatedly each season - even in the off season. They are knowledgeable about what each trail has to offer. Our guides accompany every walk on every tour where optional and scheduled walks are included. And our guides remain with the group during the entirety of each walk. We believe your walks with us should always be fun, interesting and a time to sit back and enjoy the views along the trail while someone else takes charge and shows you the way! We have specially designed all of our trails exclusively to share with our guests.

🍷 WE PROVIDE VAN SUPPORT FOR OUR WALKS !

In addition to providing guides who accompany each walk on our tours, we always provide a support van whose driver's sole responsibility is to meet the group at designated points throughout each walk to provide more refreshments and provide a ride to any guest who needs a break.

- **HOW ARE THE PROVENCE TOURS STRUCTURED?**

Having 30 years experience in the tour industry, specifically with small group touring, we have found that our guests are generally more interested in active experiences, culture, people to people experiences and guided tours of museums and sites. Our guests like to visit private homes, and pursue their hobbies when they travel. Our guests enjoy being able to shop locally for items, such as, collectibles, art and local products. Our guests tend to do more homework and want a meatier trip, but also want to enjoy down time or leisure time to explore independently. All of our trips are designed based on these factors. Each trip offers organized activities and excursions daily combined with periods of leisure time each day. Our tours encourage individual approach and pursuit of your interests, as well as introducing you to new experiences and people during each trip.

Our Provence Tour hotel has been voted BEST boutique hotel in St. Remy de Provence!

Gounod Hotel has a perfect and quaint location in the heart of historic St. Remy de Provence town, and is the most historical hotel in town having hosted some of the most famous personalities in Provence history. Our Best Adventures in Provence Tour guests are going to love and be spoiled by all the upgrades and amenities!! This is "THE" place to stay in St. Remy, and we are excited to share this paradise with our guests!!

The Gounod has hosted artists such as Vincent Van Gogh and Frédéric Mistral, as well as composer Charles Gounod himself in 1863 who composed the famous opera "Mireille" during his stay here. Having hosted such distinguished celebrities, the hotel serves as the perfect backdrop for our Best Adventures in Provence® Walking and Foodie Tour. Step out the front door of the hotel to find yourself immediately in the town's historical

pedestrian streets. Some of the area's most prized art studios and galleries, artisan shops, cafes, and much more are just steps away. Pop into a local café to people watch while sipping a glass of local wine, or while enjoying a buttery French pastry. For some quiet and relaxation time, enjoy a glass of wine, beer, or tea in the beautiful and tranquil hotel gardens, a swim in the beautiful new pool, or enjoy a tea in the hotel's quaint and cozy tea salon. Hotel management is always present, happy to help guests, and answer any questions.

ABOUT THE ROOMS — The hotel's spacious, and newly renovated guest rooms are uniquely furnished with luxury linens and toiletry products. Because the hotel has been completely renovated, styled to reflect the history and culture of the Provence region, and is also a historical building, no two rooms are alike in size, decoration or furnishings. Like many hotels in France, Hotel Gounod exercises eco-friendly practices, and a memo explaining these eco-friendly practices can be found in each guest room. For example — guests preferring to have their bath towels changed daily are kindly requested to place used towels on the bathroom floor, and guests who wish to re-use their bath towels are kindly requested to hang them on the towel racks.

GOURMET DINING AT ITS FINEST — While staying at Gounod Hotel during our Best Adventures in Provence Tour, guests enjoy a mix of gourmet dining experiences reflective of Provence including our favorite Michelin-rated restaurants, a celebrity bistro, a traditional French tasting picnic and a cooking class dinner. One of the most flattering questions that we have ever been asked, as a tour company, came on a September Tour from our guest Dennis Gelner. Dennis and his wife Pat traveled on 2 back to back tours with us.

Dennis' question one afternoon was,

**"WHERE DID YOU LEARN TO EXCEED EXPECTATIONS?
IT JUST KEEPS GETTING BETTER AND BETTER EVERY DAY!"**

Thanks Dennis for such a flattering question and Pat's and your ever so flattering trip comments! We love receiving feedback and hearing about how guests have enjoyed their tour(s).
